

ITEM 80A/19

SUBJECT: LUCAS ELECTRONIC IGNITION ANALYZER

MODELS: All

We would like to announce that the new Lucas Ignition Analyzer now being made available to dealers can also be used to test AC Delco CD units as fitted to TR7.

We would also like to clarify that the analyzer part number listed in Technical Service Administration Bulletin, May/June, Item 80A/14, should be 60973065. Please order using this number.
